Timeline Worksheet

Below are the generally accepted dates for

Classical Greece 500 B.C.E. - 323 B.C.E.
Classical Rome 509 B.C.E. - 476 C.E.
Qin Dynasty 221 B.C.E. - 206 B.C.E.
Han Dynasty 206 B.C.E. – 220 C.E.

Part I Directions:

• Construct a timeline using the dates above. Your may draw and label it by hand or your may use an online tool like ReadWriteThink at or software program (Timeliner) http://www.readwritethink.org/files/resources/interactives/timeline_2/
• Be sure to include all of the civilizations on your timeline and show the time from their founding until their fall.
• Draw your template here. If you create a computer-generated timeline attach it.
Part 2 Directions:

- Complete the following based on the timeline you have created.
  - What title would you put on your timeline?
    ____________________________________________________________
  - Name the civilization that lasted the longest.
    ____________________________________________________________
  - Write one conclusion you can draw from this timeline.
    ____________________________________________________________
    ____________________________________________________________
  - Write one question you would like to ask based on this timeline.
    ____________________________________________________________
    ____________________________________________________________
