

9.3 Puzzle Time

What Do You Get When You Cross A Snake And A Kangaroo?

Write the letter of each answer in the box containing the exercise number.

You randomly survey students in your school about whether they have access to the Internet at home. You display the two categories of data in the two-way table.

		Internet	
		Yes	No
Grade	6th	30	6
	7th	28	3
	8th	35	7
